To Whom It May Concern:

I am writing this letter on behalf of the grade 7 students and Beverley Acres Intermediate Staff, to thank Mr. Michailidis for volunteering his time at our school. He volunteered on behalf of Junior Achievement to teach Dollars and Sense, a full day program.

We sincerely appreciate his expertise and professionalism, to educate our students about important financial concepts. We appreciate his warmth and sense of humour and the rapport that he built with our students. Nick was very effective in working with our five grade 7 classes. They listened, they participated and they learned so much!

Our sincere thanks to Maple Financial Recovery Inc. for being a model corporate citizen in providing Mr. Michailidis with 5 full days of release time.

We hope that Mr. Michailidis will consider returning to Beverley Acres P.S. next year to volunteer his time as the information he shared is vital for our students to succeed in the future and he is an excellent teacher.

Sincerely,

Sonia Khera
